WELCOME

A huge warm welcome to **Rackerhayes** for this, the 2022/23 season, leading into the clubs 150th anniversary in 2023. A big thank you from us all to **Brian Pilkington**, our new president for steering the club over the last few years from stormy to calmer waters. We owe a massive debt of gratitude to Brian and the other members of the board for the hours and hard work committed to our club.

*It is a great honour and privilege to have been elected chair of this great club that has adopted me and my family over the last sixteen years, playing in the now Spartans but thoroughly enjoying running the Abbots and all the tomfoolery that came with Rugby socials! Maintaining and enhancing our **#oneclub** is the golden thread that will be considered in all decisions, you have my commitment to uphold this during my tenure.*

For the first time we have both senior men's teams involved in league rugby. **The All Whites** having been promoted into reorganised Regional 2 tribute South West following a great 2021/22 season, ending with Devon Intermediate cup winners.

The Spartans debut in the newly formed Counties 3 Tribute Devon West league, where they will face many 1st & 2nd XV club sides including a local derby with Totnes and Teignmouth 2nds. The remainder of the league are Plymouth and South Devon based. We are fortunate to have a home grown coaching team headed by Mike Saxton, who has a great team of coaches and senior players who we should all be extremely proud of. The prospect of league rugby at Rackerhayes most weekends this season is incredibly exciting and I wish all our players the greatest success and an injury free season.

The Newton Abbot Ladies are representing the club this season in Women's NC 1 South West. After a tough 2021/22 season, the ladies are on a rebuild mission. Heavily recruiting new and past players, whilst developing the U18's that have stepped up to the senior squad. A more local arrangement with this seasons fixtures will make for some great Sunday afternoon viewing to complete your weekends at Rackerhayes. If you are interested in joining a social bunch of ladies who play rugby on the side, please contact ladies@narfc.co.uk.

The juniors, our future is also thriving with no fewer than 16 aged squads from U5's to colts and U18's girls, which equates to around 350 children enjoying our sport regularly and keeping the club vibrant and alive on Sunday mornings. Within the set up are girls squads for U12, U14, U16 and U18. Many of our juniors are competing at county level. Additional coaching support is provided from our senior squads, creating that bridge and cementing the ethos of our #oneclub community. Andrew Nichols, the junior chair alongside a number of Newton legends are making this the sport of choice for the youngsters of Teignbridge, supporting 14 local schools. Huge thanks to the players, parents, families that give up their time to enjoy standing around a muddy field for hours, shaping the players of our club for future, or our sport for the future.

That being said, the club relies on the goodwill and dedication of a great number of volunteers, coaches, team managers, gate, bar, catering, grounds, events staff and a huge amount more. Many many thanks for your efforts. There is a great deal going on around the club outside of a weekend, with our marquee and community activities, we are a seven day a week operation and so if you have any spare time to help out, please make contact as a warm welcome is assured and greatly received.

A large hand goes out to the members, partners and supporters of our club, you are 16th player and create the buzz that elevates our players to a higher plane rewarded by high tempo exciting rugby from all of our teams.

#COYAW #oneclub.

Safe regards and see you at the bar.

| GENERATING TRUST

Our gas turbine generator packages provide efficient, reliable energy solutions for a broad range of applications. Mainly Combined Heat and Power (CHP), where our units reduce energy consumption by re-using the exhaust heat in manufacturing processes.

It's better for the environment and better for profits too.

We've designed and installed gas turbine packages for over 70 years from our base in south-west England. Our independent company serves a diverse international market throughout Europe, North Africa and Russia.

What's more, Centrax provides a complete package of expert maintenance and customer service – leaving customers to take care of their core business.

PARTNERSHIP OPPORTUNITIES

The importance of partners for the club cannot be underestimated, the support that you give the club enables the club to offer rugby and it's values to the children and adults of our community, to grow with the core values of the sport embedded, to carry through life 'Teamwork, Respect, Enjoyment, Discipline and Sportsmanship.' I would suggest that rather than looking at this as being a sponsorship, it becomes a partnership for all of us to continue offering Rugby to the men, women, and children of our community, whether participation is by playing or watching and socialising, in a safe environment and to improve those facilities. To ensure our community work continues in assisting, those less fortunate than ourselves.
