WELCOME

Welcome to Newton Abbot Rugby Club

We are very excited to hold the Bradfords Cup here at Rackerhayes for the first time in our history. As a club and within my Rugby Plans, you will see we are passionate about ensuring the future of our club comes from a well-developed and esteemed Junior section. The Club endeavours to put as much time and passion into the Junior Section as we do the All Whites' first team allowing us to create rugby players for our future.

A crucial part of the strategy is holding events like today, working with local schools and using the tools provided within the club's structure to encourage juniors to play rugby.

I hope you enjoy your time at the club. Remember the values of the game, and finally, I wish the best of luck to everyone that is involved.

MICHAEL SAXTON
Director of Rugby

GAMES

Games will be 8 minutes per half with a 2 minute half time (the strange game time to ensure we are under the 50 minute gameplay allowance) and 2 minute transition time.

We will follow the Regulation 15 RFU U8's rules. Whilst we will re-inforce this throughout the day, referees are there to facilitate the enjoyment of the children, they will be doing their best to ensure this happens.

IF ANY PARENTS OR COACHES ACT IN A WAY THAT STOPS THE ENJOYMENT OF ALL INVOLVED, THEY WILL BE ASKED TO LEAVE.

FACILITIES

We highly recommend for children to arrive ready to play as space will be at a premium on the day. We also ask that when using the facilities at the club that you treat them as you would your own. Food and drink available for everyone to purchase on the day.

We look forward to welcoming you all to Newton Abbot RFC on Sunday for what should be a fantastic day.

PARTNERSHIP OPPORTUNITIES

The importance of partners for the club cannot be underestimated, the support that you give the club enables the club to offer rugby and it's values to the children and adults of our community, to grow with the core values of the sport embedded, to carry through life 'Teamwork, Respect, Enjoyment, Discipline and Sportsmanship.' I would suggest that rather than looking at this as being a sponsorship, it becomes a partnership for all of us to continue offering Rugby to the men, women, and children of our community, whether participation is by playing or watching and socialising, in a safe environment and to improve those facilities. To ensure our community work continues in assisting, those less fortunate than ourselves.

DELIVERING POWER AND EXCEPTIONAL SERVICE

Pictured: A Centrax gas turbine generator installation

| GENERATING TRUST

Our gas turbine generator packages provide efficient, reliable energy solutions for a broad range of applications. Mainly Combined Heat and Power (CHP), where our units reduce energy consumption by re-using the exhaust heat in manufacturing processes.

It's better for the environment and better for profits too.

We've designed and installed gas turbine packages for over 70 years from our base in south-west England. Our independent company serves a diverse international market throughout Europe, North Africa and Russia.

What's more, Centrax provides a complete package of expert maintenance and customer service – leaving customers to take care of their core business.
