WELCOME

Welcome to Newton Abbot Rugby Club

We are privileged to host the U16's and U'18s girls festival here at Rackerhayes.

What a great way to start our 150th year celebration, How proud would the original founders feel to see how far we have come!

As the largest affiliated playing members club in Devon, we have set our next target, to have the largest Girls section in the County, with the hard work our volunteer coaches and support teams are doing we are close to hitting that target....

We strongly believe that if we work with our children from youngest possible age, instilling the correct values, we create the adult players of the future. (This is the ethos that the whole club is based on)

We really hope you enjoy the day but please remember..... these are still children, and the referees are volunteers.

ANDREW NICHOLS

Junior Chairman

There are lots of different reasons why you might consider becoming a member of Newton Abbot Rugby Club. Whether you are looking for a club to play for, are a current or past player of the club or would like to enjoy any of our many events throughout the year, we have the membership for you and they come with some fantastic benefits.

PARTNERSHIP OPPORTUNITIES

The importance of partners for the club cannot be underestimated, the support that you give the club enables the club to offer rugby and it's values to the children and adults of our community, to grow with the core values of the sport embedded, to carry through life 'Teamwork, Respect, Enjoyment, Discipline and Sportsmanship.' I would suggest that rather than looking at this as being a sponsorship, it becomes a partnership for all of us to continue offering Rugby to the men, women, and children of our community, whether participation is by playing or watching and socialising, in a safe environment and to improve those facilities. To ensure our community work continues in assisting, those less fortunate than ourselves.

GAS TURBINES

DELIVERING POWER AND EXCEPTIONAL SERVICE

Pictured: A Centrax gas turbine generator installation

| GENERATING TRUST

Our gas turbine generator packages provide efficient, reliable energy solutions for a broad range of applications. Mainly Combined Heat and Power (CHP), where our units reduce energy consumption by re-using the exhaust heat in manufacturing processes.

It's better for the environment and better for profits too.

We've designed and installed gas turbine packages for over 70 years from our base in south-west England. Our independent company serves a diverse international market throughout Europe, North Africa and Russia.

What's more, Centrax provides a complete package of expert maintenance and customer service – leaving customers to take care of their core business.
