A HUGE WELCOME

On behalf of the Devon Rugby Football Union, I welcome you to the Devon Colts Finals Day at Newton Abbot RFC. Today is the culmination of years of hard work put in by Club coaches and players, as many of you will have come through the age groups over a period of years. For some, this will be your last few weeks of Age Grade rugby as you transition to the adult game, hopefully with the Club that has given you the opportunity to develop your skills since you started playing. For others, there will be the possibility of furthering your education at University, and hopefully, you will continue to play this wonderful game wherever you go. Rugby is the finest of all team sports, and as players, you will make lifelong friendships not just within your own Club but with other Club members and, indeed, with people you have yet to meet.

The Devon Colts Cup has been running in various guises for over 60 years and is a competition that is the envy of our neighbouring Counties. Twenty-four Colts teams entered the competition this season which is a remarkable effort and shows that we must be doing something right. The Clubs owe a huge debt to the administrators who have run it so efficiently, Verity White and Steve Alexander take a bow.

Of course, there are many other people who should be thanked for making the competition the success it is. It is the Devon Rugby Referees who give their time to ensure the games go ahead. Without a ref, there is no game, and players, parents, and spectators should be very mindful of how match officials should be treated. The single word is Respect.

We should also thank parents and Club volunteers who transport the players (and probably clean up after them!). Volunteers are such an essential part of any sports club, and without them, we would simply not be able to exist.

My thanks to Newton Abbot RFC for hosting today's finals, I am sure the participating Clubs are most grateful for the effort you have put in to ensure the day runs smoothly.

Win or lose I hope you all have a wonderful experience to add to your bank of memories, enjoy the day.

Paul Harris

President Devon Rugby Football Union

Welcome to Newton Abbot Rugby Club!

We are very excited to hold the Colts Devon Cup here at Rackerhayes. As a club and within my Rugby Plans, you will see we are passionate about ensuring the future of our club comes from a well-developed and esteemed Junior section. The Club endeavours to put as much time and passion into the Junior Section as we do the All Whites' first team allowing us to create rugby players for our future.

A crucial part of the strategy is holding events like today, working with local schools and using the tools provided within the club's structure to encourage juniors to play rugby.

I hope you enjoy your time at the club. Remember the values of the game, and finally, I wish the best of luck to everyone that is involved.

RESPECT - THE OFFICIALS AND COACHES

FORGIVENESS: WE ALL MAKE MISTAKES

COURTESY COSTS NOTHING!

NARFC is proud of its coaches and referees.

We ask all clubs and supporters to respect our match officials and coaches. They will always do their best to make the right decision, but like all players, they will make mistakes during a match, and this is not a reason to abuse, insult, or give dissent.

Feedback to the officials should not be midmatch. Your coaches will know the correct channels.

PARTNERSHIP OPPORTUNITIES

The importance of partners for the club cannot be underestimated, the support that you give the club enables the club to offer rugby and it's values to the children and adults of our community, to grow with the core values of the sport embedded, to carry through life 'Teamwork, Respect, Enjoyment, Discipline and Sportsmanship.' I would suggest that rather than looking at this as being a sponsorship, it becomes a partnership for all of us to continue offering Rugby to the men, women, and children of our community, whether participation is by playing or watching and socialising, in a safe environment and to improve those facilities. To ensure our community work continues in assisting, those less fortunate than ourselves.
