PARTNERSHIP OPPORTUNITIES

The importance of partners for the club cannot be underestimated, the support that you give the club enables the club to offer rugby and it's values to the children and adults of our community, to grow with the core values of the sport embedded, to carry through life 'Teamwork, Respect, Enjoyment, Discipline and Sportsmanship.' I would suggest that rather than looking at this as being a sponsorship, it becomes a partnership for all of us to continue offering Rugby to the men, women, and children of our community, whether participation is by playing or watching and socialising, in a safe environment and to improve those facilities. To ensure our community work continues in assisting, those less fortunate than ourselves.

DELIVERING POWER AND EXCEPTIONAL SERVICE

Pictured: A Centrax gas turbine generator installation

| GENERATING TRUST

Our gas turbine generator packages provide efficient, reliable energy solutions for a broad range of applications. Mainly Combined Heat and Power (CHP), where our units reduce energy consumption by re-using the exhaust heat in manufacturing processes.

It's better for the environment and better for profits too.

We've designed and installed gas turbine packages for over 70 years from our base in south-west England. Our independent company serves a diverse international market throughout Europe, North Africa and Russia.

What's more, Centrax provides a complete package of expert maintenance and customer service – leaving customers to take care of their core business.
