Welcome to Newton Abbot Rugby Club!

We are thrilled to host the Devon Girls under 18 and 16 festivals again here at Rackerhayes on Sunday, 4 May. As a club, and as outlined in my Rugby Plans, you will notice our dedication to nurturing a strong and respected Junior section and particularly girls' rugby

Our club is committed to investing as much enthusiasm and resources into the development of our young players as we do in our All Whites' senior teams. This commitment helps us cultivate skilled rugby players for the future.

A key aspect of our strategy is organising events, such as the Devon age-grade festivals, collaborating with local schools, and leveraging the resources within our club's framework to encourage more young athletes to take up rugby. We hope you have a wonderful experience at the club today. Embrace the values of the game, and good luck to all the participants involved in the event!
